

Carrying God's Transformation Into 2026

Dear ITL & ALICT Family,

As we come to the close of another year, we are grateful to God for his faithfulness and our partners for walking with us in raising global Christian leaders ready to transform their communities. Your giving, your prayers, and your belief in this mission continue to make ITL and servant leadership possible.

This year, again, our expectations have been exceeded through the lives of the young leaders who completed the **2025 ALICT program** this October. Twenty-eight (28) emerging Christian leaders from across Africa and beyond gathered in South Africa for three months of intensive discipleship, leadership formation, and community transformation training. They represented more than 26 nations, each bringing stories of courage, calling, and deep desire to see their communities healed and restored.

During the program, participants engaged in:

- **120+ hours** of biblical worldview and leadership training
- Weekly discipleship groups, spiritual formation sessions, and pastoral coaching
- Community transformation projects that addressed real needs in local neighborhoods
- Cross-cultural ministry, prayer retreats, and times of healing and restoration

We witnessed young men and women grow in character, break generational barriers, reconcile with God and one another, and discover a renewed sense of purpose in Christ.

Among our more than **528** Alumni from 117 countries, we continue to hear testimonies that mirror the global impact we've seen for nearly two decades. Our leaders are planting ministries, launching trauma-healing programs, strengthening churches, starting community initiatives, and sharing the Gospel with thousands. Their impact reaches far beyond the classroom into rural villages, cities, informal settlements, marketplaces, churches, schools, and homes. Read Alumni testimonies at <https://itl.org.za/alict-stories/>

And this is where we need your support.

We are trusting God for supporters to give, raise, or contribute \$25 or more per month towards ITL 2026. The need for Christ-centered leadership training globally is increasing faster than our current capacity can hold. In 2026, we want to host once again, disciple, and mentor 30 leaders through our three-month intensive discipleship, leadership formation, and community transformation training in South Africa. This training costs \$6000 per student (including international transport, accommodation, catering, etc.).

Your Partnership Transforms Community

Your gift today helps us:

- Cover scholarships for emerging leaders who cannot afford to attend ITL
- Train more who serve on the marketplace, as pastors, youth leaders, and community servants
- Support discipleship, coaching, and evangelism initiatives
- Strengthen our Global Alumni network
- Care for our staff who mentor and coach our participants and Alumni

Your contribution builds servant leaders who will carry the Gospel into places we may never go ourselves.

Will You Stand with ITL & ALICT as We Step Into 2026?
